## WELCOME VISITORS

*We are Unitarian Universalists. We are brave, curious, and compassionate thinkers and doers. We are people from many backgrounds who have different beliefs, but shared values.*

*Grounded in more than two hundred years of thoughtful, spiritual communities, we are people of many generations, ethnicities, genders and sexualities, and spiritual backgrounds. People engaged in making the world a better place. People focus on what really matters - love, justice, integrity, and hope.*

*We are a lay-led congregation. Lay-led congregations have no minister which means members of the congregation manage various aspects of our church life. Unitarian Universalism has a proud tradition of lay-led churches. We have different beliefs, but shared values.*

*We are Unitarian Universalists, and at the same time we may be Muslim, pagan, atheist, believers in God, and those who just let the great mystery be. The diversity of beliefs you'll find in our church community is one of our strengths - we're always learning how to see the world from a distinct perspective.*

*Learn more about us at your leisure by downloading our mobile app 'Red River UU' from Google Play or the Apps Store (or use the QR code below.) This is who we are. We are glad you joined us today because all of who you are is welcome here.*

## A VALUE-ADDED LIFE

The Rev. Dr. Mark Y.A. Davies, *leading*

What would be the implications for community if we committed ourselves to bringing more value into the world than we take from it? In this discourse, I will reflect on how we might live in such a way as to increase the value of all life for the long run and on what kinds of systemic transformation would be needed for us all to live value adding lives.
