THE HISTORY OF CIVIL DISOBEDIENCE

The Rev. Dr. Mark Y.A. Davies, *leading*

Unitarian Universalists have a long history of working for social justice and also taking a self-critical stance in order to be open to the change that is needed to bring about a more Beloved Community. In this discourse, we will look at this UU history of striving for justice and reflect on how we can continue to express this commitment in our troubled times.

What's on the Agenda?

We're kicking things off with a delightful **Pie Social!** But it's more than just dessert; it's a chance to mingle and swap brilliant ideas with friends from other congregations. You'll get to pick a topic table and dive into engaging discussions on different ways of handling specific, important aspects of church life.

The topics up for a cozy chat over pie include:

- ♦ **Adult & Children's RE:** *Sharing program and activity types.*
- ♦ **Social Justice:** *Discussing activities, social action, and political interfacing.*
- ♦ **Community Outreach:** *Creative ways to spread the word about your UU congregation.*
- ♦ **Worship:** *Exploring design, order of service, and service variations.*
- ♦ **Music:** *Best practices for selection, choirs, and oh-so-important copyright issues!*
- ♦ **A/V & Production:** *Tips for streaming, uploading, and YouTube channels.*
- ♦ **Food & Kitchen Activities:** *Sharing ideas for fellowship and food.*
- ♦ **Facilities Management:** *The ins and outs of care, maintenance, and renovations.*
- ♦ **Pastoral Care:** *Caring for the sick, reaching out to those who've been away, and hospital visits.*
- ♦ **Stewardship/Fundraising:** *Smart ways to support our beloved community.*

After our topic talks, we'll gather for a warm welcome, sing some funny songs, and tackle the **"BIG QUESTION"** in group discussions before summarizing our collective wisdom.

*Hey There, Amazing North Texas
Unitarian Universalists!*

Get ready to mark your calendars for a simply **fabulous** event coming your way! The North Texas Unitarian Universalist Congregations (NTUUC) are planning a grand Celebration, just for you and all our wonderful neighboring churches.

The Grand Finale

We'll wrap up the day with a delicious BBQ buffet dinner, with vegan options, and a musical treat. Get ready for some musical comedy entertainment by Fort Worth's **Miss Devon and the Outlaw**, who have performed in Branson and other venues far and wide.

I Need Help for the New Church Directory

I Need Help for the new Directory

The next new Church Directory is about to come out. Previously, I have copied out all of the information that is on file for each person to be included in the directory, send it to each of you – very time-consuming – and wait for everyone to reply confirming or updating their information so the directory can be more accurate. Then, often, I had to send a nudge followup email for those who didn't reply.

The information for the directory includes printing the following for **each member** or **friend**:

- ♦ Last Name
- ♦ First Name
- ♦ Birth Month/day
- ♦ Member/Friend
- ♦ Home Address
- ♦ Home phone
- ♦ Pronouns
- ♦ Email
- ♦ Cell phone
- ♦ Church Activities (team, group, committee etc. for each person)
- ♦ Interests
- ♦ Profession
- ♦ Spouse/significant other
- ♦ Children

If you have changes for the new directory from the August 2025 edition, you are responsible for getting them to me at directory@redriveruu.org by **February 15** when I will create a directory with the current information in the database.

To our new members and friends: We always include the above list of information so everyone can get to know you while you can learn more about people in the congregation.

By sharing the listed details everyone can know one another a bit more. Providing the information is optional for all of us. If you want that information included so people can get to know you better and you may learn more about others, please send to directory@redriveruu.org

For everyone, if you move, change your address, email address, phone, or change church activities, please help me keep the database up to date by sending me what's changed in your listing.

Our directory is the resource so each of us can learn more about one another and reach out to you need/want to.

One other item of note: If you do not want your address, home phone, cell phone, or actually most of your data (nothing but your name and membership status) printed in the directory, I have flags in the database to control these options. You must let me know for me to set the flag.

In gratitude for making the work of a new directory less time consuming, a big thanks!

Marla Loturco, *Church Database Administrator*

Treasurer's\$ Report

Treasurer Report as of December 31, 2025, For the fiscal year-to-date period of July 1 through December 31, we had an operating net profit of \$6,104.95. This was due to the timing of pledge donations and to lower expenses in several categories, partially offset by unbudgeted expenses for yardwork. As of December 31, 2025, we had \$22,151.53 available to be used for general operations in our bank checking account, \$9,960.21 available in our bank savings account, and approximately \$25,356.49 available in our UUA savings fund. The amount available in the UUA savings fund varies based on market value. In addition, we have the following restricted amounts: \$4,871.08 in our bank savings account restricted for the Minister Fund; \$5,951.89 in our bank savings account held in trust for Kat Walston; \$16,824.66 in the endowment fund; and \$51,000.00 restricted in the UUA Savings Fund for minister compensation. In addition to the results from operations, we have spent \$2,747.05 year-to-date from restricted funds leaving \$18,443.88 restricted to cover continuing repairs and renovations to the building and to increase visibility in the community to grow membership.

Whatcha Doing on Wednesday?

For those of you who read the newsletter the day it arrives: Whatcha doing on **Wed, Feb. 3rd**?

How about spending a measly one hour joining UUs across the country in creating an unbroken chain of phone calls to key members of congress every three minutes for 40-straight business hours? The goal isn't to piss off our elected leaders, but to demonstrate how widespread the need to get ICE OUT! Jan has asked the Phone Call Blitz folks for this Wed. Feb 4 in the morning. Call Jan now if you're willing to help.

Social Action Updates

“Free Families” Vigils Successful

On January 18, the National Coalition to End Family and Child Detention, comprised of over 40 organizations across the country, called for an end to family detention, no funding for ICE and immediate action to stop the widespread abuse and neglect that children and adults are experiencing in ICE custody after weekend protests by those children and families. Protesters were heard chanting “*libertad*” (or “freedom”). The group called for a “Freedom Vigil” for Wednesday, January 28 at the Dilley, Texas Detention Center, south of San Antonio. Numerous members of Texas UU Justice Ministry hopped in buses and drove to join in the struggle to protect these children. U.S. Representatives [Jasmine Crockett](#) (TX-30) and [Joaquin Castro](#) (TX-20) planned to conduct an oversight visit of the facility, followed by a press conference in San Antonio with Ramos’ attorney.

Detainees in Dilley include 5-year-old Liam Ramos, who was detained along with his father in Minnesota after the boy came from preschool last week.

Also being held at Dilley is a 7-year-old named Diana Crespo. She and her parents were detained in the parking lot of a hospital in Portland, Oregon, two weeks ago. Her parents were trying to get help for the second grader who had a long-lasting nosebleed — but they never made it inside the hospital. The Oregon Nurses Association condemned what happened, saying, “No parent should ever be forced to weigh their child’s A federal judge has issued a temporary restraining order that Little Liam cannot be deported. However, ICE continues their tactics which continue to keep our immigrant community living in fear. Please, write your Federal Senators and Representatives to stop all funding for this ICE “reign of terror”!

Note: You can read the excellent article **All Eyes On Dilley** in the current issue of Texas Monthly [here](#). The Rev. Erin Walker, TXUUJM Minister & Executive Director, is prominently mentioned.

Bending Texas Toward Justice Together

By the Rev. Erin Walker

While our procession was grounded in peace and love, seeking to uplift the voices of children and families, in the end, our cries were still met with aggressive state violence. This is deeply traumatic and not OK, whether you were on the front line, face to face with trooper's shields, or whether you were on a bus waiting and praying for other people's safety.

I will say again. State violence is NOT OK. We cannot normalize this. We cannot accept it. We will not accept it.

Our UU faith holds love at the center, affirms that every person has worth and dignity, and that we are all connected. Therefore, our souls yearn and our minds and bodies work for everyone to be free.

I was so moved late yesterday afternoon when a pocket of the crowd started to sing "This Little Light of Mine," on the edge of the protest line, in the face of ICE agents.

Please keep shining your light for Liam, for all the children and families, and for "Libertad" for all.

If you were NOT there, please call and email your legislators today and every day. Tell them to do their jobs for the people. Don't stop calling until they end this hell of violence, ICE, and family separation and incarceration. We [hope to see you at Action Hour](#).

Rev. Erin Walker,

TXUUJM Minister & Executive Director

Natural High

by Don Mathis

I write when I like.
Lay down my pen, pick it up again.
Write to my son or congressman
or fire a letter to the editor.
Mail it and then forget.
Until another idea
compels me to scamper for paper.
Or the phone rings on my answering machine,
"We need your OK to run your essay."
Or I glean a magazine
and see my handle in the contents table.
Maybe a legislator will answer my letter.
Or I get a warm greeting at the poetry reading.
I smile for a while
and sigh – A Natural High.
