Human Rights

The Rev. Dr. Mark Y.A. Davies, *leading*

Human Rights" - We hear a lot of talk about the rights granted by the United States Constitution, but even more fundamental than our constitutionally guaranteed rights are our universal human rights that are shared by every person on earth and ought to be respected by all persons whether one is a citizen of the United States or not.

When the Storm Comes, We Move Together

The Rev. Summer Albayati, *leading (video message)*

There is so much change happening right now that it may feel as if the entire world is in a storm. How do we find the way to move with and through the storm? Not running for cover but finding who we must become to ride it out and emerge triumphant. When the storm settles, as it must, how do we help to keep the house from blowing away?

From the President

I never know what to write about in these columns, which is why I so often don't. I come up with some fairly good ideas, but they seem fully fleshed out in a paragraph rather than a column. In the interest of having something to add to the monthly newsletter, I will try for a couple of paragraphs and see where it goes.

I have often noticed that we tend to sing most of our hymns in the key of dirge. A recent video showed that even the larger churches with good-sized choirs often suffer from this.

I have no training in music or in diction. I am not passing this off as expertise in anything. But let's try this. Let's sing our hymns while smiling. Let's see if it makes a difference. We want to find joy in our music, but I think we first must bring that joy. I can't even claim originality here. "Enjoy" originally meant "to make joyful" in Middle English.

For the next month, let's bring whatever joy we can scoop up to church and let it shine forth in our singing. Smile and mean it. Let's see what our combined joy and merge into and become.

Money Matters

In the month of April, we had total operating receipts of \$3,547.00. Total operating expenses for the month were \$5,345.88, leaving us with a net loss for the month of (\$1,798.88). The net loss for the month was due to the timing of pledge payments.

For the fiscal year-to-date we had an operating net profit of \$5,454.74. The year-to-date net profit was due to the timing of pledge payments for the current year and the prepayment of some pledges for next year, in addition to lower worship and communication expense.

Marilyn Alexander's daughter, Merrilee Kick, donated \$60,361.00 this year to cover repairs and renovations. A total of \$57,035.07 has been spent. That leaves \$3,325.93 remaining in this fund as of March 31.

As of April 30, 2025, we had \$24,534.65 available in checking for general operations. There was also \$9,939.91 available in the bank savings account plus \$4,871.08 restricted for the Minister Fund and \$5,951.89 held in trust for Kat Walston. In addition, we invested a total of \$66,784.40 in the UUA Common Endowment Fund in 2020, which has increased in value. The congregation voted to use up to \$51,000.00 of the UUA Savings Fund for minister compensation.

Worship Team Meeting

Our faithful worship team is meeting on Wednesday, June 4 @ 6:30 via Zoom. The team will be reviewing those questionnaires that those who attending the Spring Congregational Meeting completed. Since worship is the most important part of the life of any religious institution, the team will be reaching out to those who volunteered to be an independent scout looking for ways to enrich our Sunday Morning Assemblies.

During the meeting there will be a review of the questionnaire completed by those who attended the May congregational meeting. The results may well change what we do on Sundays. If you want to be part of creating worship, you will find attending this month's Worship Team meeting an effective way to learn more about keeping what we do on Sundays inviting, challenging, and rewarding. The Zoom meeting ID is 989 0789 7878 and the meeting starts at 6:30 pm.

A painting can inspire a poem. A remembrance can add texture. A Father's Day reflection can provide depth. RedRiverUU wishes a Happy Father's Day to all good men everywhere.

CLOUDY MEMORIES

by Don Mathis

The stratus in the distance
lies flat like a memory of a memory
Grey recollections begin to form
swirling, joining, dissipating, uniting again
Mammatus memories begin to build
shaped by the weight of lenticular light
Remembrances rise like cumulus
into the atmosphere
Cirrus shapes shift,
lifting on the latitude, altitude,
attitude, all rising
And there in the cumulonimbus
near the top of the troposphere,
I see the face of my father

Rainbow Team Update

HAPPY PRIDE MONTH!!! This month we celebrate all things diversity! There are Pride parades & celebrations all over the world this month & this year they are exponentially more important.

The Grayson PRIDE Prom was the evening of May 31st in the Municipal Ballroom and Jack & Cristin helped serve food as ambassadors of our team. The theme was "Enchanted Forest" and the evening lived up to that in every way! The outfits, from tailed tuxedos to a blue elf, were amazing and the DJ kept everyone entertained with fabulous iconically queer dance music and impressive karaoke. Thanks to the ladies at our Ally church, Grace United Methodist, there were divine ham & cheese & pimento cheese sandwiches along with salad & fresh fruit. A local member of the queer community created a diabetic nightmare of a dessert table that included lots of delicious offerings. Mocktails were served & a professional photographer was present to save the memories for anyone who so desired. All in all, a night to remember.

The Rainbow Team will be telling you all about it on June 8th with our service, Point of PRIDE. We will discuss a little of the history but more importantly, what it means now & how important PRIDE will be moving forward.

Grayson PRIDE is June 21st at the Municipal Ballroom & Kidd Key Park. Our church & the Rainbow Team will be there with a booth of our own, representing our Beloved Community. It is free to attend so please, as members & Allies for the Rainbow community, come & join us in a most important show of solidarity & joy.

The T-shirts are in!! Amy picked them up & we will be distributing them over the next couple of weeks! Find a Rainbow Team member to learn more!

It is with a mix of sadness & joy that we say "See ya later!" to Adrian & Marko. They are off on their next big adventure this month as they relocate to a state much more Trans friendly & more amenable for people living with autism: Minnesota. Please feel free to wish them well on their journey.

Lastly, this month also brings us Juneteenth, also called Emancipation Day, Freedom Day or Jubilee Day, it is the commemoration of June 19th, 1865, the day enslaved African Americans in Galveston, TX learned they were free. Locally, there will be a 3-day event at the Sherman MLK park June 19-21. Please go to shermanparks.com for more information.
